

Foundation of Maury County

Vision

To achieve excellence in measurable results through meaningful integration of the arts for students, parents, team members and community.

Mission

- ★ Share the KOS brand of putting kids on multiple stages at every opportunity which we know builds self-esteem and confidence.
- ★ Share our unique facility as we teach and produce performances that are kid-driven, connected to real world, and meaningful while utilizing well-managed assets.
- ★ Integrate the arts into every classroom by training and developing great educators and great leaders through collaboration.
